The Package

The package includes a family ticket (2x Adults and 2x Children) to see **Snow White** at The Cresset Theatre, with ice cream in the interval and a gift for every child to take home.

This is a fantastic opportunity for local businesses to spread Christmas joy to children in need this Christmas by showing them you care.

About Snow White

The story of Snow White is a classic story that every child knows. This year Premier Pantomimes and The Cresset will bring this fairytale to life on stage in a spectacular production filled with all the traditional pantomime magic.

Starring **Kevin Kennedy** (Coronation Street Legend Curly Watts!), and **Mitch Hewer** (from BBC Casualty and Channel 4's Skins), along with a full

professional cast and a talented team of local performers it's Peterborough's biggest and best traditional family pantomime.

Imagine the smile on the child's face as the lights go up and the music starts, or when **Snow White** takes to the stage and meets her Prince Charming. For many it will be the first time they say *'He's behind you!'* and *'Oh no he isn't'* and *'Oh yes he is!'*

Who knows, the child you sponsor may be inspired to take up dance or drama at school and become the next big thing!
