

Sponsor a child to experience the magic of Panto this Christmas!

Once Upon A Time:

What is more Christmassy than going to the Pantomime and what better Panto than **Snow White**, a classic fairy tale of young love and bravery. We all want children to have a magical time at Christmas but the sad reality is that many children from deprived backgrounds or in care in this area have to grow up too fast. Many do not get the childhood experiences at Christmas that we had, and now treasure. YMCA in partnership with The Cresset want to change that reality and we need your help to do it!

Christmas for many of these children is very different to ours; they are not surrounded by a loving family, there's no family Christmas dinner, or visits to see Santa at the local shopping centre.

Many dream about the fairytale Christmas they see in the media or that their friends enjoy. With your help, together we can bring a little of the Christmas magic into their lives by inviting you to sponsor places for these deprived children at this year's Pantomime *Snow White* held at The Cresset in Peterborough.

The Package

We are offering local business leaders the chance to attend this year's Pantomime, and to sponsor a child from a deprived background or in care in the Peterborough area. The child you sponsor will become YMCA's and The Cresset's VIP guests for the evening.

The package includes a family ticket (2x Adults and 2x Children) to see *Snow White* at The Cresset Theatre, with ice cream in the interval and a gift for every child to take home.

This is a fantastic opportunity for local businesses to spread Christmas joy to children in need this Christmas by showing them you care.

About Snow White

The story of Snow White is a classic story that every child knows. This year Premier Pantomimes and The Cresset will bring this fairytale to life on stage in a spectacular production filled with all the traditional pantomime magic.

Starring **Kevin Kennedy** (Coronation Street Legend Curly Watts!), and **Mitch Hewer** (from BBC Casualty and Channel 4's Skins), along with a full professional cast and a talented team of local performers it's Peterborough's biggest and best traditional family pantomime. Imagine the smile on the child's face as the lights go up and the music starts, or when Snow White takes to the stage and meets her Prince Charming. For many it will be the first time they say 'He's behind you!' and 'Oh no he isn't and Oh yes he is!'. Who knows, the child you sponsor may be inspired to take up dance or drama at school and become the next big thing!
