

“We Will Walk One Hundred Miles...”

To help us clock up our miles we have designed this Treasure Hunt of the city centre. It starts and ends at Time Stop. If you walk the whole route you add 3 miles to our total.

The challenge on route is to solve the 100 clues. All the answers can be found on posters, signs, buildings or street furniture that you pass on route. Some clues give you clues to a building that you will be able to see.

You will see that there are written directions that are in bold type. The clues are in the right order so if you reach another direction without finding the clue you know you have past it without spotting it!

You don't have to do the whole route in one go and can repeat the route as many times as you like. You can do it with other residents in groups up to four.

You have until 11pm on Friday 7th May to hand in your answers. There will be prizes for the resident who solves the most clues.

Your answer must match ours.

We hope you enjoy the hunt!

Head out of Time Stop to our meeting spot if the fire alarm goes off.

1: Where is the location of the meeting spot? _____

2: If I park for three hours what would I need to pay? _____

Exit the carpark back into Wellington Street and walk to end of the road heading towards city centre.
