

Frog Hand Puppet

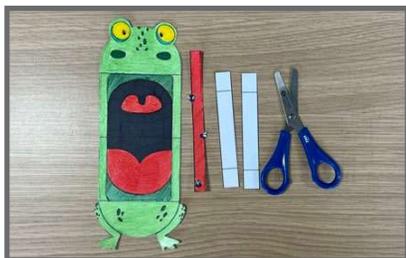

You will need:

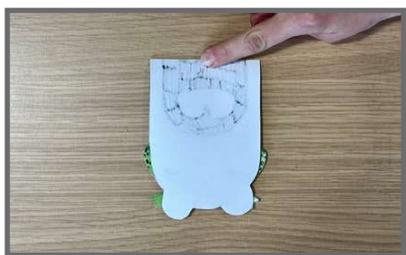

- Frog Hand Puppet Templates
- A4 card
- Felt-tip pens
- Glue stick
- Scissors

1) Print the Frog Hand Puppet Templates onto white card and decorate them using the felt-tip pens.

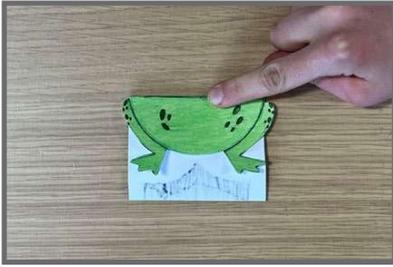

2) Carefully cut round the decorated templates.

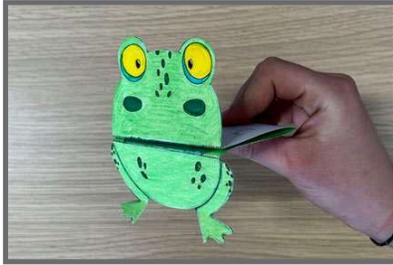

3) Fold the main template in half along the central dotted line.

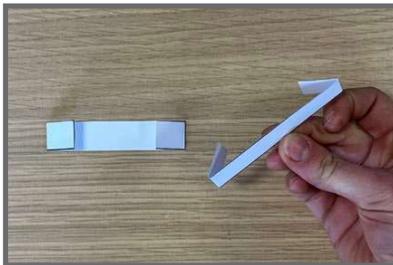

4) Fold the top of the face back along the dotted line.

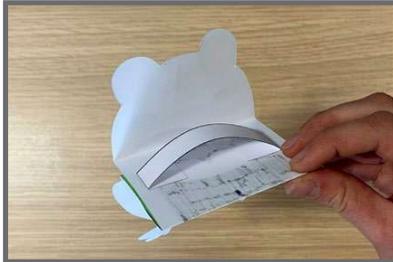

5) Fold the bottom of the template back along the dotted line.

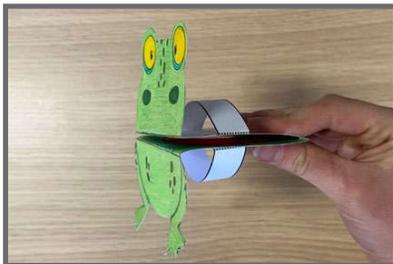

6) The top and bottom halves of the template should join up.

7) Take a handle template and fold along the two dotted lines.

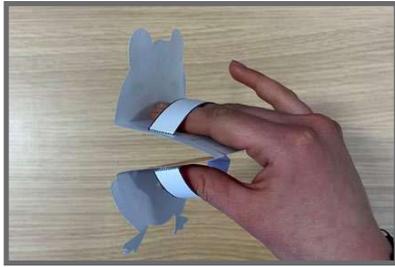

8) Add a dab of glue to the two folded tabs. Stick the handle to the top of the hand puppet in an arch position.

9) Repeat steps 7-8 with the second handle template, then glue this to the bottom of the hand puppet in an arch position.

10) Glue the tongue template inside the mouth of the frog so it sticks out the front. You could curl the end of the tongue by wrapping it round a pencil.

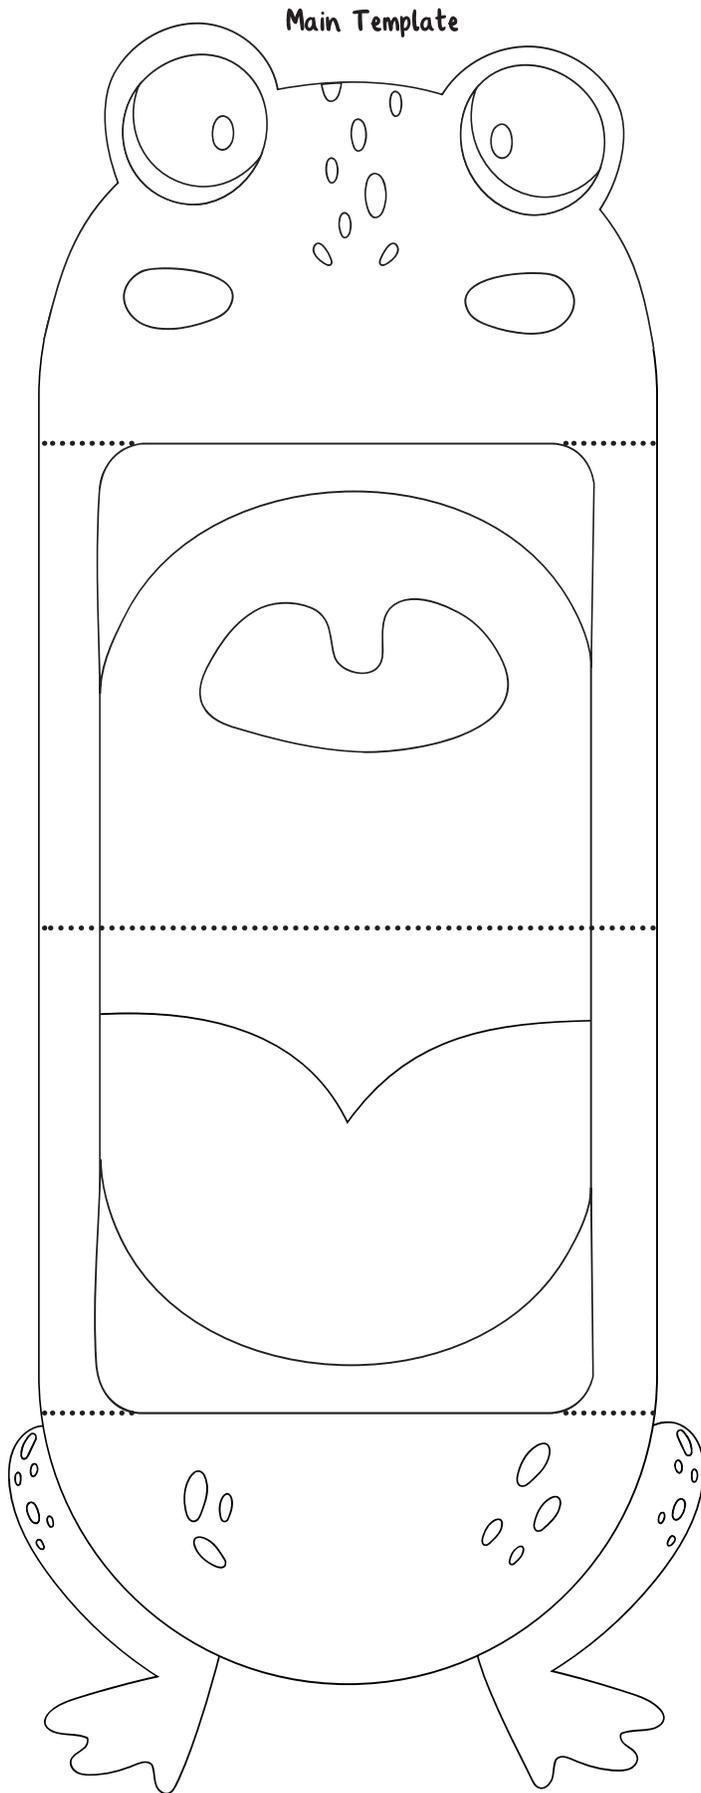

11) Your Frog Hand Puppet is now complete! Insert your fingers through the top handle and thumb through the bottom handle to control opening and closing the puppet's mouth.
